Dear Friends and Supporters;

On behalf of the Board of Directors of Restoration Exchange Omaha, I would like to express our sincere gratitude to Laura Shiffermiller. Since the beginning of 2018, she has been dedicated to this organization and the metro historic community we serve. Especially during the last few tumultuous years, her efforts ensured the continuation of REO. Laura will always be a part of the REO family. We wish her the very best retirement!

The Board of Directors plans to hire an Executive Director at the appropriate time. It is part of our larger work to determine the best actions to further the mission and direction of REO. In the interim, we have developed task forces and committees, combining the expertise of board members and other volunteers, to assume operational responsibilities.

We look forward to what is in store for REO and what we will be able to offer you, the preservationists of Omaha!

Sincerely

Tim Reeder  
President
